I'm Tamaki, the artist of the SMS club

Today and yesterday, we had a visitor in our club room! A girl with almond eyes, like this

Looks like she liked the game we made, and that's great, but ...

She was being a bit rude to Seki senpai

Well, it's true that I need to practice drawing more, and she'd probably find lots of mistakes in the picture I drew today, if she saw it...

But even so, she's still in junior high, so she should be more polite when talking to her seniors, or at least I think so!

Huh? Was she actually in junior high?

And, like, Seki senpai was working really hard the other day, she was so cool. So I'll draw a picture where she looks cool!

All ...

Hmm, looks like she's floating slightly above the ground. What should I do ...

I know!

And then do this...

Finished!
I wonder if that looks cool enough?

That's right, I made an introductory page for everyone over at the "Member introduction" page!

I worked hard on those~

It's pretty wild.
Legs, hands, etc.
